

Campsite Cooking: Delicious and Easy Recipes Using Foil Packets, Grills and More

Campsite cooking is not a new fad; it has been around for centuries. Our ancestors were foragers, having to go out and find food they wanted to eat. If it did not grow around them or walk by them, chances are they did not eat it. Today, we can get more creative with the meals we make while camping making the meals healthy and delicious. The recipes in this book will be fun for the family to create together. This book will walk you through what campfire cooking is, how you can create amazing meals with it, and give tons of delicious recipes to tantalize your taste buds. Not only that, but it will tell you how to cook certain foods you have never cooked and will make you start thinking of more creative dishes you can make back home in the kitchen or on the grill.
