

Do you trust the packaged gluten free food for quality and accuracy? Want to try to cook from scratch? Need help with meal planning and shopping? Gluten Free Meals offers fresh and freezer meals that include whole and healthy food, convenience and great tasting dishes. If you want healthy food with help from the experts, this is the book for you! The second in the best selling Simple Convenience Series, and highlighting gluten free meals for one or more, Gluten Free Meals offers food in amounts that works for individuals or couples so that you are not eating the same thing for days at a time. By creating dishes and freezing or re-using food later in the week, you get the benefit of unprocessed, delicious food without waste. You also save time and avoid having to plan every meal. We do that for you! Join best-selling author Stephanie Atwood in moving away from questionable fast food and nutritionally deficient processed meals. Let her do the work while you get the benefit of great food, safe, gluten free meals, and awesome taste. Take your weekly meal plan and shopping list on a once a week trip to the market and eat all week. Eat fresh meals today. Prepare and save meals in the freezer for a quick meal later in the week. Don't forget to look on the inside of the book description for your free and totally delicious gluten free brownie recipe. It's easy, it's awesome and it's right there in the front of the book. Are you ready to add this book to your gluten free collection? Just head on up to the top of the page. Click the Purchase Button It's easy, simple, and you are on your way to a healthier, trusted gluten free lifestyle.
