Slow Cooker Freezer Meals: 20+ Easy and Delicious Make-Ahead Freezer Meals** Are you tired of making meals every night of the week? Or maybe you're always having to stop and grab fast food for your family rather than making a homemade, healthy meal? Why not try prepping the ingredients ahead of time and freezing them? Then you can dump the ingredients into your slow cooker and turn it on before you go to work, and by the time you get home, you have a homemade, delicious meal for one or your entire family! Freezer meals are nothing new, but most of the time we purchase them from the grocery store. Meals purchased from there are chock full of ingredients you don't want to eat on a daily basis. If you spend just an hour to two hours on a Sunday prepping your meals ahead of time, you can have a home cooked meal every day of the week! **BOOK #2. Freezer Meals Cookbook: 30 Fast And Simple Freezer Meals Recipes** Freezer cooking can help you out in saving your time in kitchen and it will definitely change the way you plan for your meal. Try to envision yourself by continually recognizing what is there for your meal on daily, weekly or monthly basis. You can also do this by having your meals arranged if something goes wrong, or if you are running late or feeling wiped out. You may haul something out to warm in the stove or microwave that needs no work for getting prepared. All you require is to simply make it warm and eat. **BOOK #3.
