

# Childs Introduction to Art: The Worlds Greatest Paintings and Sculptures

The newest volume in Black Dogs best-selling, award-winning Childs Introduction series explores the fascinating world of art and artists and includes do-it-yourself art projects throughout. In the tradition of Black Dogs best-selling Childs Introduction books, which include *The Story of the Orchestra* and *A Childs Introduction to the Night Sky*, *A Childs Introduction to Art* introduces kids ages 9 through 12 to the art worlds most famous painters, styles, and periods, all brought to life through full-color photographs of 40 masterpieces, as well as charming original illustrations. The book highlights 40 painters and sculptors, including Leonardo da Vinci, Claude Monet, Diego Velasquez, Vincent van Gogh, Salvador Dali, Mary Cassatt, and Andy Warhol, providing information on their life, inspirations, influences, technique, and a full-color photo of one of their signature works of art. It also includes an overview of various styles and periods (Renaissance, Impressionism, Cubism, etc.), instruction on how to view and appreciate art, and information on the color wheel and other tools artists employ. Fun art projects throughout, such as *Can You Find It?*, *Q-tip pointillism*, making a stained-glass window with tissue paper, and *Spatter Paint* like Pollock, allow kids to learn about painting techniques and explore their own artistic abilities. Also includes five masterpiece paintings to color. Meredith Hamiltons witty illustrations add another dimension to the excellent text and photographs.
