

Cog in the Machine

William Sheridan finds himself at the end of his rope - tired of a life in His Majesty's military, haunted by his past, and with nowhere to go but forward. He looks for peace in the northern waste of Yavesk, but finds himself saddled with a foreign cadre of officers and an upstart 2nd who would sooner search for trouble than prevent it. Now he's forced to reign in the excesses of his subordinates - but in doing so, he finds darker secrets hidden underneath.

cog in the machine. (also a cog in the wheel) said about one part of a large system or organization. Example: He was just an important cog in the machine of French Translation of to be a cog in a machine The official Collins English-French Dictionary online.
