Are You Ready To Get into the Adventure of Minecraft Jurassic World Here is the Prologue Steve wakes up, hearing his befriended wolf named Ryan barking outside. - Oh, shut up, Ryan! Steve yells, but Ryan keeps on barking. Steve takes a deep breath a walks outside. He cant believe his eyes when he sees a zombie trying to attack Ryan at the fence. Steve quickly grabs a diamond sword and starts running towards Ryan and the zombie. The zombie is just about to grab a bite when Steve swings his sword in front of him, slaying the zombie instantly. - Are you alright, buddy? Steve asks, looking into Ryans saddened eyes. Ryan responds by making a squeaky noise. Steve then tells Ryan to stand up and they both walk into Steves wooden house. Steve reaches for a bone in the chest next to his furnace and quickly feeds it to Ryan. - Have you heard about the news? Steve asks. Well, they are building a theme park about 1000 blocks away from here. We should check it out! Ryan keeps on biting into his bone. - Im just going to prepare a meal for us before we leave, Steve says and puts some porkchops into his furnace
