

Cinder-Elly (Picture Puffins)

A lively new twist on an old familiar fairy tale. Readers young and old will enjoy this fresh look at the age-old tale in which an urban-dwelling Cinder-Elly used the help of a trash can, a copy machine, and even a glass sneaker to find her Prince Charming. With a jazzily rhythmic, rhyming text and quirky, funny illustrations, this version of the familiar favorite is irresistible. This ultracool version of the fairy tale ... updates the classic with singular flair. --Publishers Weekly
