

# Crianza De Conejos Saludables: (Raising Healthy Rabbits, Spanish Translation) (Spanish Edition)

There is a pressing need for protein for millions of people around the world. Rabbits are an alternate source of animal protein and can be raised in areas of limited space, with little capital startup. They can be raised on a diet consisting largely of forage, plants, and shrubs. This book gives basic information that has shown to be successful in a variety of situations as it relates to raising domestic rabbits. This book is also available in English.
