

Dished!: Rise and Fall of British Satellite Broadcasting

Tells the story of the business war between Sky and BSB in their race to control the satellite television marketplace. The battle ranged from Downing Street to Hollywood to the nations doorsteps. Dished! is a commentary on the debate about the future of television in the UK.

The Rise and Fall of British Satellite Broadcasting (1991), p. 40 Lord Whitelaw, House of Lords, 9 October 1990 quoted in Chippindale and Franks, Dished!, p.
