

Dust City

Ever since his fathers arrest for the murder of Little Red Riding Hood, teen wolf Henry Whelp has kept a low profile in a Home for Wayward Wolves ... until a murder at the Home leads Henry to believe his father may have been framed. Now, with the help of his kleptomaniac roommate, Jack, and a daring she-wolf named Fiona, Henry will have to venture deep into the heart of Dust City: a rundown, gritty metropolis where fairy dust is craved by everyone and controlled by a dangerous mob of Water Nixies and their crime boss leader, Skinner. Can Henry solve the mystery of his familys sinister past? Or, like his father before him, is he destined for life as a big bad wolf?

I cant quite explain why playing through Kitty Horrorshows Dust City felt so great, but I suppose it must be due to a combination of the joys of Robert Paul Westons first novel was Zorgamazoo, a Booklist top ten debut of 2008.
