

# Euthanasia - An Overview about Forms, Differences and Difficulties

Seminar paper from the year 2006 in the subject English Language and Literature Studies - Other, grade: 1,0, Humboldt-University of Berlin (Anglistik und Amerikanistik), course: Presentation Practice, 10 entries in the bibliography, language: English, abstract: Bei dieser Arbeit handelt es sich um die schriftliche Ausarbeitung eines Referates zum Thema Sterbehilfe (engl. euthanasia) in englischer Sprache. Sterbehilfe ist ein in Deutschland vieldiskutiertes und zum Teil auch negativ konnotiertes Thema. Die Gesetze und praktischen Handhabungen in den europäischen Ländern sind sehr unterschiedlich. In dem Referat geht es zunächst um eine Klärung des Begriffs Sterbehilfe und wie sich dieser im Laufe der Geschichte teilweise verändert hat. Anschließend werden zu unterscheidende Formen von Sterbehilfe vorgestellt und auf die Situation in Deutschland und betroffene Gesetze eingegangen. Die Patientenverfügung wird dabei angesprochen. Auch die zum Teil divergierende gesetzliche Situation in anderen europäischen Ländern wird präsentiert. Außerdem werden mögliche Alternativen zur Sterbehilfe und mit Sterbehilfe verbundene Schwierigkeiten angesprochen. Anschließend werden Pro- und Contra-Argumente der Befürworter und Gegner von Sterbehilfe vorgestellt, und am Ende zieht die Referentin ein persönliches Resümee. Auch zwei bekannte Fälle von Sterbehilfe, die für lebhafte Diskussionen in Deutschland sorg(t)en wurden im Zuge des Referates vorgestellt. Ziel des Referates war es, über das Thema Sterbehilfe grundsätzlich zu informieren, jedoch auch zum Nachdenken und zum Diskutieren anzuregen.

INTRODUCTION Voluntary euthanasia is one form of active euthanasia which is performed at the request of the patient. [6,7] The distinction between euthanasia/PAS and the administration of high-dose pain medications or

indirectly, into requesting PAS as a means of resolving the difficulties posed by their illness. euthanasia an overview about forms differences and difficulties anne kathrin bus referat ausarbeitung anglistik sonstiges publizieren sie ihre hausarbeiten Euthanasia is the deliberate killing of a person for the benefit of that person. In most cases euthanasia is carried out because the person who dies asks for it, but Name: Euthanasia An Overview About Forms Differences And Difficulties Rating: 83993. Likes: 399.
