

Everyday Life in Ancient Egypt (Jr. Graphic Ancient Civilizations)

Most kids probably know a little about the pyramids of Egypt, but they may not know about the advanced people who designed and built them. This volume offers a behind the scenes look at what life was really like for the designers of the pyramids, the workers who built them, and the families at home who were running the households, attending schools, and worshipping in their religion. This volume takes readers beyond the text with fun facts and important research points.
