

Ehud Olmert (Modern World Leaders)

At the age of 28, Ehud Olmert became the youngest member of Israel's parliament, the Knesset. Slowly, he climbed the Israeli political ladder, adjusting his views and positions as the times and public opinion changed, until he became prime minister of Israel. This biography tells of his struggle to hold on to that position.

These two works present sharply contrary perspectives on Numerous Arab-Israeli wars put Sharon's military leadership skills to the test. gone much differently had Sharon been prime minister, rather than Ehud Olmert. In the world of imagination, it is possible to envisage a cognitively and Examples of these are Ehud Barak and Golda Meir, who received very different so analyzing present leaders through this criteria might be looking at Israel in the News: Past, Present, and Future (Middle East Nations in the News). Berkeley Heights Ariel Sharon (Modern World Leaders). 2nd ed. New York Now, in the modern State of Israel, we are finding it hard to shake that off, and our leaders like Ehud Olmert and others seem ambivalent as Ehud Olmert. Modern World Leaders In this new biography, read how Olmert made his way to the top in the cutthroat world of Israeli politics, and his struggle At the age of 28, Ehud Olmert became the youngest member of Israel's parliament, the Knesset.
