

Entertaining as it informs, this book and CD-ROM combo uses the high seas as an Internet metaphor instead of the overused Information Super Highway. It has young readers solving the books Quests and Adventures, along with a cast of pirate characters and their parrot. Young readers will have a thorough knowledge of Internet basics by the books end.

Poetry in Divination, Authentic Georgian Furniture Designs: Universal System of Household Furniture, 1762 (Dover Books on Furniture), Sugar Busters!
