

The book covers all facets of tourism in natural areas. The book is underpinned by a strong foundation of environmental understanding. It then describes the range of impacts, which occur when tourism takes place in the natural environment and illustrates how managers can plan, develop and appropriately manage tourism developments in natural areas. Finally, the book addresses ongoing management concerns such as monitoring environmental change and the need to introduce appropriate management strategies.

The Trial of Maximo Bonga: The Story of the Strangest Guesthouse in South East Asia, Cleopatra: A Life, Cognac (Mitchell Beazley Classic Wine Library), Simple Garden Projects: A Collection of Original Designs to Build in Your Garden, Modern Furniture Designs, 1950-1980s: An International Review of Modern Furniture (Schiffer Book for Collectors with Values), Glass-Ionomer Cement, True Stories of Gangsters: Usborne True Stories,
