

No Reservations: Around the World on an Empty Stomach

An illustrated, behind-the-scenes travel journal of Anthony Bourdain's global adventures. More than just a companion to the hugely popular show, *No Reservations* is Bourdain's fully illustrated journal of his far-flung travels. The book traces his trips from New Zealand to New Jersey and everywhere in between, mixing beautiful, never-before-seen photos and mementos with Bourdain's outrageous commentary on what really happens when you give a bad-boy chef an open ticket to the world. Want to know where to get good fatty crab in Rangoon? How to order your reindeer medium rare? How to tell a Frenchman that his baguette is invading your personal space? This is your book. For any Bourdain fan, this is an indispensable opportunity to hit the road with the man himself.
