

Nuptse and Lhotse Go To the Rockies

When Mrs. Jasper, a large bear, loses her twin cubs, she needs Nuptse and Lhotse to help her find them. In a land of mountains, the cats will need to follow clues and use their imaginations to find out where these cubs have gone. As they make their way through the landscape, they learn what makes mountain lakes turquoise, what a couloir is, what not to do when you are in a canoe, how to cross an icefield, who belongs in these national parks and why bringing your most favorite thing on an adventure might just save the day.
