

Pacific Private Sector Development Initiative: Progress Report 2014-2015 (Pacific Private Sector Development Initiative Annual Progress Report)

Since 2006, the Pacific Private Sector Development Initiative (PSDI) has worked to alleviate poverty and promote growth in the Pacific region through reforms that encourage private sector investment and entrepreneurship. This report describes developments and progress for PSDI Phase III's second year, and covers the period July 2014 to end-June 2015. PSDI is a regional technical assistance facility cofinanced by the Asian Development Bank, the Government of Australia, and the Government of New Zealand.

PSDI's Samoa private sector assessment, *Reform Renewed*, has been launched in Apia. The report looks at constraints to investment and PSDI helps Asian Development Banks 14 Pacific developing member countries to improve the enabling environment for business and support inclusive, private. The proposed technical assistance performance evaluation report (TPER) will cover the ten-year REG: Pacific Private Sector Development Initiative (PSDI I) (ii) TA 7430-REG: Pacific Private Sector. Figures presented are IED estimations based on cumulative totals in annual progress reports. b.
