The adventurers now have their own island and port, but they'll need more than one ship to defend it. They must scour the harbors and docks of the Shackles to recruit more ships and more crews to their flag. But when a rival from their past sends a fleet to attack them, they must defend their island home. And when they sail to his island to get their revenge, the adventurers discover a traitor whose betrayal threatens all of the islands of the Shackles! Continuing the Skull & Shackles Adventure Path, *The Price of Infamy* is a Pathfinder Roleplaying Game adventure for 11th-level characters. This Pathfinder adventure delves into the secrets of the deadly cult of Norgorber, god of thieves and assassins, and presents new rules for battles between whole pirate fleets. New monsters from the depths of the sea and exotic islands fill the Pathfinder Bestiary, while Robin D. Laws (author of the Pathfinder Tales novel *The Worldwound Gambit*) continues his tale of pirates and lost treasures in the *Pathfinders Journal*.
