

Pathfinder Adventure Path: Skull & Shackles Part 4 - Island of Empty Eyes

Having won the Free Captains Regatta, the adventurers must now claim their prize the uninhabited and dangerous Island of Empty Eyes. After exploring strange ruins and fighting the islands monstrous denizens, the adventurers must host a feast for their new peers on the Pirate Council. But a mysterious saboteur threatens to disrupt the party. Can the adventurers tame their island wilderness and protect their influential guests? Or will they lose the respect of the pirate lords and fade into obscurity? Continuing the Skull & Shackles Adventure Path, Island of Empty Eyes is a Pathfinder Roleplaying Game adventure for 9th-level characters. This volume reveals the mysteries behind some of Golarions most infamous pirate legends, as well as new details on the enigmatic cyclopes.
