

Revelations: Book One of the Merlin Chronicles (Volume 1)

Merlin the magician only exists in myth and legend--at least that is what archaeology student Jason Carpenter thought until he discovered the mysterious orb that housed history's greatest wizard for 1,600 years. Forced into an uneasy alliance, Jason and Merlin are sucked into a web of deceit, intrigue and murder sending them on a chaotic race to outwit, and out run, Merlin's ancient nemesis, the evil sorceress Morgana LaFay: a gang of drug smugglers and a 500-year-old Chinese necromancer. It is a race against time to complete their quest before an army of dragons are unleashed on a vulnerable and unsuspecting 21st century world. In *The Merlin Chronicles: Revelations*, Daniel Diehl has created an adventurous blend of Arthurian legend, biblical prophecy, classic wizard fantasy and contemporary urban fantasy to create a world exactly like ours -- except that Merlin and the age of magic return full-blast to battle ancient evils and save civilization. *Revelations* is the first book of the gripping new fantasy series by award winning author Daniel Diehl and is getting world-wide attention as the next BIG Fantasy read.
