If you've ever dreamed of casting off in search of adventure wherever your heart may lead, this book will help turn those dreams into reality. A trailerable sailboat is the ideal way to explore every part of the country wherever there are lakes, rivers, reservoirs or ocean coastline. To make the most of this exciting lifestyle, owners (or prospective owners) of trailerable sailboats need three things: an understanding of the boat and how to use it, knowledge about the tow vehicle and trailer used to transport the boat, and a spirited sense of adventure to live the dream.
