When Sarah Levy opened her own sweet shop, Sarahs Pastries and Candies, in 2004, she was only 24 years old. She already had years of training and experience at this point, however, and she turned Chicago-based Sarahs into one of USA Today's Top Ten Candy Stores in the nation. Since then, Levy has gone on to even greater success: from winning the Food Network Challenge with a three-foot tall dinosaur-shaped cake to becoming the owner/operator of S. Levy Foods while being the mother of twins! S. Levy Foods specializes in bringing locally focused real food to airport dining, with locations across the country. This first paperback release of her much adored and newly updated *Sweetness: Delicious Baked Treats for Every Occasion* is appearing at the same time as the opening of a new Sarahs Candies in O'Hare's Terminal 2. This is a great go-to resource for new home cooks, with plenty of delicious recipes for entertaining, gifts, social events, and even to impress that special someone, many of which are more suitable for more experienced cooks, too. Sarah Levy's warmth, accessibility, and personality shine through on every page of her girls guide to deliciousness.
