Like many before him, Tom, a traveling minstrel, has fallen in love at first sight with the beautiful princess Kathleen. But Kathleen has vowed only to marry the man who can win a leprechaun's pot of gold. Tom sets out with a clever plan to fool a leprechaun into giving up his fortune. Upon meeting one of the fair folk, Tom charms him with songs and stories. As it turns out, however, Tom's tales hold more truth than trick.
