

Visiting a Village (Historic Communities)

Bobbie Kalman's acclaimed Historic Communities Series provides a close-up view of how people lived more than two hundred years ago. Colorful photos, many taken by Bobbie Kalman herself at restored historic villages across the country, help support the fascinating information. Children will have fun learning about: -- early homes and the settler community-- what people wore and the crafts they made-- how settlers made their living-- how they spent their leisure time-- the values, customs, and traditions of the early settlers. Visiting a Village is an ideal introduction to understanding the concept of community. Children will learn how the settlers worked together by trading their goods and services with each other. Knowing about what they might see on their first visit to an historic site will help spark a child's curiosity. In this book, they will meet: -- the metal and woodworkers-- the miller and the sawyer-- the storekeeper

Map your visit across our vast open-air museum featuring seven historic districts and immerse yourself in the sights, sounds, and sensations of 300 years of history. All donations made to the Three Village Historical Society will be matched by the Three Village area. The Three Village area is comprised of communities where history is close.
